NORTHWEST TOXIC COMMUNITIES COALITION SUMMIT 2021

Chemical Mixtures and
Synergistic Effects

DR SHANNA SWAN
Icahn School of Medicine at Mt Sinai
*Threatened Reproduction:
Causes, Consequences and Solutions*

DR ANNE JARABEK
U.S. Environmental Protection Agency
*Moving Mixtures Forward:
Mechanistic Modeling*

DR DAVID CARPENTER
State University of NY - Albany (retired)
*Chemical Mixtures: We Are Never
Exposed To Only One Chemical At A Time*

BRIANA RIVERA
Oregon State University
PhD candidate

+

DR DIANA ROHLMAN
Oregon State University
Superfund Research Program

*Current Approaches to
Characterizing Chemical Mixtures*

Ground-breaking Research in Understandable Language

April 24, 2021

Saturday | 9:00am–5:00pm
